

DriveStation 2Share™

Ideal for both home and office environments allowing users to back-up files, digital images and documents that will not take up the room on a PC's main drive. It comes with many great features, such as auto installation and easy operation making the DriveStation 2Share a true plug and play Storage solution for all!

Dual Connection – choose from either Network Attached Storage for sharing your files with other computers on your network or via USB 2.0 for backing up your data.

Power Saving Utility

TurboUSB increases the Data transfer speeds

Easy Set-up Utility

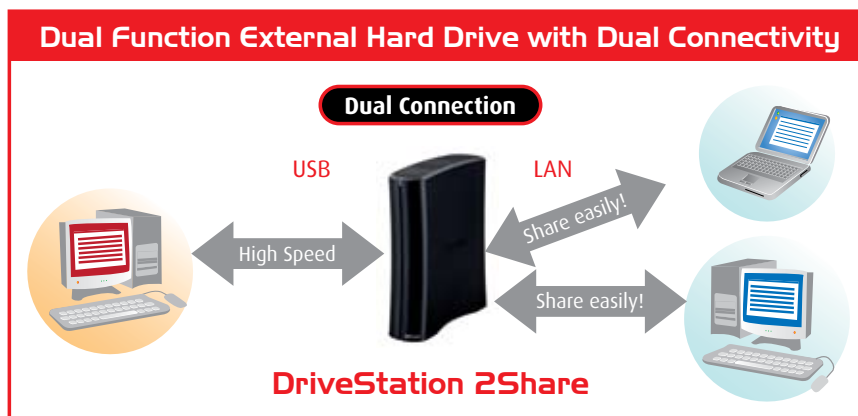

DriveStation 2Share

A dual function external hard drive which provides the flexibility to switch between USB or Network Attached connectivity. Whilst connected to your PC it will automatically turn on once you power your PC! In addition, the fanless design allows the DriveStation 2Share to operate silently while the heat sink chassis keeps the internal components cool during operation.

Key Specifications

- Power saving shut down scheduling to preserve energy
- Silent running with a fanless design
- TurboUSB Software
- Memeo™ back-up software
- Secure Lock Ware™
- Supports USB 2.0
- Auto Set-up - no need to install drivers

SPECIFICATIONS

LAN Interface

Standard Compliance	IEEE802.3 Standard/IEEE802.3u
Data Transfer Rates	10/100Mbps
Port Connection	RJ45
Number of Ports	1

Internal Hard Drives

Number of Drives	1
Drive Interface	SATA
Hard Drive Capacities	500GB and 1TB

USB Interface

Standard Compliance	USB 2.0
Connector Type	USB Type B
Number of Port	1
Data Transmission Speed	480Mbps

Protocol Support

Networking	TCP/IP, UDP
File Sharing	SMB
Web-based Management	HTTP
Time Synchronisation	NTP

Others

Dimensions (WxHxD)	45mm x 156mm x 175mm
Weight	1.1Kg
OS Support	Win 2000/XP/Vista TM
Power Supply	External AC 100-240V, 50/60Hz

Product Part Numbers

HD-CE500LU2 (500GB)

HD-CE1.0TLU2 (1TB)

Note: 1TB = 1,000,000,000,000Bytes. Actual data throughput and range will vary depending upon network conditions and environment factors, including volume of network traffic, building materials and construction, and network overhead.

About Buffalo

Buffalo Technology UK Ltd. is a leading global provider of award-winning storage, networking, memory, and multimedia solutions for the home and small business environments as well as for system builders and integrators. With almost three decades of networking and computer peripheral experience, Buffalo has proven its commitment to delivering innovative, solutions that have put the company at the forefront of infrastructure technology.
